<b>FundFantasy</b>	<b>financial fantasy gaming platform /Win coins for playing</b>	<b>Make a lot of money money#doyouwanttomake</b>
<b>ChanGe</b>	<b>Desentralised cyptobank. All in one cryptocurrency bank</b>	<b>first cryptobank #besticooftheyear2018 #ohhmyGod</b>
<b>SONM</b>	<b>The first Blockchain universal fog</b>	<b>Million dollar making innovation #ohhImade1million\$</b>
<b>Basic Attention Token</b>	<b>They have change the way advertising on the net work</b>	<b>1st Blockchain advising platform</b>

## RESULTS

The impact of the coins since 2017 has change the way money work in order words people can now create money out of thin air or in just a few lines of code using the blockchain just as the banks create money out of ink on a trimmed tree.

Now each one can look forward to highest amount of money he want there is no limits to what you can make which is why we guarantee you a 10,000% in the year 2018 on a combination of the coins listed above and the ico above.

Choose any 5 coins or project we present above have at least 5 coins of each and some such as Fantasy and Utrust u can have more but again choose the coin which resonates the most with you because one thing is for sure all of this coins will make you some serious money.

Therefore for us to continue to work with you as individual and as a community the following are yours to do

- 1. Subscribe to our website**
- 2. Create a crypto africa account on any of our platforms**
- 3. Follow our facebook pages**
- 4. Last but not least send us a person message if you want particular mentorship. These is only for those who are ready to contribute financial to CRYPTOAFRICA and committed to making Billions in their Fiat currency within the next 3 Years.**

## CONCLUSION

The change is already here is now for you just to jump on and ride with us knowing you will get to your destination safely and effortlessly. Cryptoafrica will make you independent financially first and as a person also which is why we want you to be confident for this year 2018 because your Dreams however big the may be will receive some light to making them real. Making money is easy Changing the Africa with the money you made is Characteristic of leadership which is why we will make you some money but you will have to choose to be a leader in your community in Africa.
